

# Want to increase your 'green'?

## *Practical Tips for Improving Your Cash Flow*

“The three most important things to measure in business are customer satisfaction, employee satisfaction, and **cash flow.**”

*Jack Welch, ex-CEO General Electric*

**Location:** Simons Bitzer & Associates  
8350 S. Emerson Ave, Ste. 100  
Indianapolis, IN 46237

**Date:** Wednesday, March 17th

**Time:** 11:30 a.m. - 1:00 p.m.

**Presented By:** Barb Bitzer, CPA

**Complimentary Interactive Workshop  
Catered Lunch Included**

We are pleased to present *“Practical Tips for Improving Your Cash Flow”*. In this seminar, we will help you create a **12 month Cash Flow and Profit Plan** that forecasts:

- Cash requirements
- Timing of cash needs
- Possible need for financing
- Feasibility of bank or other institution loan for the business
- Availability of excess funds for short-term investment or long-term asset building
